THE WHITE HOUSE
WASHINGTON

January 21, 1983

APPOINTMENT PROCESS PERSONAL INTERVIEW RECORD

DATE OF INTERVIEW: January 21, 1983 (by telephone)
CANDIDATE: Peter H. Raven
POSITION: Member, National Museum Services Board
INTERVIEWER: John G. Roberts *JGR*

Comments

Dr. Raven is the Director of the Missouri Botanical Garden and has served for the past five years as a member of the National Museum Services Board, the board to which he is being renominated for a second term. Dr. Raven's nomination is consistent with the statutory requirement that members of the board "be broadly representative of various museums, including museums relating to . . . botanical gardens" 20 U.S.C. § 963(a)(1). Reappointments are specifically permitted so long as the individual has not served more than seven consecutive years, id. § 963(b); Dr. Raven has not.

Dr. Raven belongs to numerous scientific organizations and committees. While Dr. Raven thought that some of those organizations might benefit from Institute of Museum Services funding, he noted that specific funding decisions were made by the Director, not the Board, and that he would continue his practice of recusing himself should a specific item involving one of his other organizations come before the Board. I impressed upon him the necessity of doing so, and also urged him to contact us if he had any questions in this regard during the course of his term. Nothing in Dr. Raven's financial picture appears to present any problems.

Dr. Raven stated that nothing in his prior service on the Board or in his previous congressional testimony was at all controversial. He also stated that he knew of nothing in his past that could be a possible source of embarrassment to the President. Dr. Raven reported that he knows and is on good terms with both of his state's senators.

Dr. Raven was not required to complete a financial disclosure report (SF 278).

MEMORANDUM FOR DIANNA G. HOLLAND

FROM: JOHN G. ROBERTS *JGR*

SUBJECT: Appointment of Dr. John A. Montgomery
to the President's Cancer Panel

Dr. John A. Montgomery is being considered for appointment to the President's Cancer Panel. Under 42 U.S.C. § 286c(a) (1) the President is authorized to appoint "three persons . . . who by virtue of their training, experience, and background are exceptionally qualified to appraise the National Cancer Program. At least two of the members of the Panel shall be distinguished scientists or physicians." Dr. Montgomery's resume indicates that he clearly meets the statutory requirements and is a "distinguished scientist."

The duties of the President's Cancer Panel are to "monitor the development and execution of the National Cancer Program" and report "[a]ny delays or blockages in rapid execution of the Program" to the President. 42 U.S.C. § 286c(b). Dr. Montgomery is involved with several cancer research institutions, and is a consultant with Bristol-Myers. Accordingly, I called Dr. Montgomery to discuss possible conflicts of interest. He advised me that matters involving particular companies or institutions did not generally come before the President's Cancer Panel, a view consistent with the statutory description of the Panel's duties. I advised him of the need to recuse himself should a matter involving or affecting any of the companies or institutions with which he is affiliated come before the Panel. He indicated his familiarity with the need to do so, based on his previous experience on numerous National Cancer Institute advisory groups.
